

## STATEMENT OF PURPOSE

RS27348 / H0403

This legislation completes the cross referencing from the Child Protective Act back to the newer parental rights sections of Idaho Code, since both portions of code should be considered whenever one of the portions is brought up and referenced.

## FISCAL NOTE

The legislation will have no fiscal impact to the general fund, or any other state fund or local governments because the language just changes policy for how to use the code and does not require resources to implement.
